TYPES OF GIFTS YOU CAN DESIGNATE FOR THE FUTURE

The most common legacy gift is a bequest. In order to make a legacy gift to the Snow Leopard Trust, you will simply specify that the Snow Leopard Trust is to receive a certain amount or percentage of your estate, particular assets, or the remainder of the estate after providing for your heirs. **We encourage you to discuss your desire to add the Snow Leopard Trust to your estate plan with your financial and/or legal advisor.**

A general bequest is used to give a certain percentage or dollar amount of your estate.

A specific bequest directs that the Trust is to receive a specific non-cash item, such as shares of stock.

A residual bequest designates all or a portion of your estate to be given to the Trust after provisions have been made for your family, friends, and other bequests.
